

KEY INFORMATION

Daily Timetable

Morning Registration

Upon arriving at school, children can enter the school building from 8:35am where a Start of The Day (SODA) activity will be waiting for them. This also gives them an opportunity to discuss any issues they may have in conversation with their class teacher.

At 8:45am the register will be taken. Children who arrive in school later than this should report to the office to sign in and order their lunch.

Morning Sessions

8:55am – 12:15pm

Morning break 10:25am – 10:45am

Lunch

12:15pm – 1.00pm

Lunch is served in the hall from 12:15pm.

Children select their choice of meal during morning registration or can order online in advance through our school meal provider, Dolce.

In the dinner hall they then line up next to a tablet screen where the children then press on their name where their meal option appears and their food choice is served to them.

Children bringing a packed lunch from home also eat in the dining hall or year group areas. During the warmer months children will be offered the choice of eating outside (weather permitting).

At 1.00pm children are taken back to classrooms by their Class Teachers and settled to ensure they are ready for afternoon sessions.

Afternoon Sessions 1:00pm – 3:15pm

Children should be collected from outside their year group entrances or classroom back doors at 3:15pm.

After school activities:

There are a variety of after school activities and clubs and children receive information about these in assemblies. More details can be found on the School Clubs Page in the 'Our School' area of the website.

Please note – The playgrounds are supervised from 8:35am. Children should not be on the premises before this time or after 3:25pm except when taking part in organised activities.
