Headteacher's Welcome

Dear Parents and Carers,

After a long and warm summer term we have reached the end of term and the summer holidays are ready to begin. The last day of term is always a day of mixed emotions, but I am extremely proud of everything the children have achieved this year and the hard work they have put in – they really have modelled our learning values throughout the year.

In this final newsletter of the year, I would personally like to take this opportunity to thank you all for your support throughout the year and as I have referenced several times in my newsletters, the children have been an absolute credit to the school and their families all year.

As well as our wonderful Y6 pupils leaving, two members of staff are also moving on. After a number of years supporting the children in upper school, Mrs Metcalf is retiring and goes with our best wishes but I am already aware that she will be volunteering in a school local to her in the new academic year. Miss Shrimpton is also leaving us and she has secured a new post at Kings Copse School in their visual impaired unit which is an area she has an expertise in and the opportunity was too good to turn down. We wish them all the best and my huge thanks for their fantastic service to TJS.

After an exciting few weeks of celebrations and a wonderful performances, Year 6 leave us covered in signatures but they have left their mark on us too: we are so proud of them and all that they have achieved and I know that they will continue to shine at secondary school. Absolutely every one of them should be so proud of what they have achieved and how much they have learnt and grown as young people during their four years at TJS.

I know that you will want to join me in saying 'thank you' to all of our amazing team of staff who have worked so tirelessly this year. They will all be having a well-earned break, ready to come back in September with new ideas and new experiences planned for the children.

I wish you all a wonderful summer break and I look forward to seeing those who are returning in September. For those who are leaving us for the final time, I wish you all the best for the future and I look forward to hearing about your onward journeys.

Best wishes for a fabulous summer break

Mr Humphries

Year 6 Leavers Performance

On Monday evening, our talented Year 6 children performed their Leavers Show to a packed audience at the Sarah Moore 6th Form Theatre thanks to the support of staff at Bitterne Park. They put on an incredible show with a mixture of acting, dance, comedy and singing and deservedly got a huge applause from the audience. They then got to show it to the rest of the school on Tuesday and tears were certainly flowing after each emotional performance.

Year 6 Prom

On Friday our Year 6 children got to enjoy their Prom whilst being dressed in their finest outfits. Taking place in the transformed school hall, they got to enjoy the photo booth, candy floss, popcorn and Domino's pizza. They even had goodie bags with treats and personalised cakes to enjoy. This was all made possible by the help and hard work of our wonderful School Fundraising Committee who were determined to give this fantastic year group a perfect send off.

Year 3 Stoneage Visitor and Immersion Day

On Thursday, Year 3 were visited by a Stoneage hunter who shared lots of interesting information and artefacts with them. This included learning to hunt and conducting a burial. The children were thoroughly engaged and were able to impress our visitor with their knowledge of their history topic.

House Points

Throughout the half term, the children have enjoyed competing in houses and collecting house points by demonstrating the school's learning values and following the three school rules. Additionally, the children gained house points for participating in TT Rockstars, Spelling Shed, Boom Read and Sports Day.

After a very closely fought contest, congratulations to the winning house for the third time this year was ... **Ruby!** This delighted Ms Parker who ensured the red ribbons remained attached to the House Trophy on display in the entrance hall.

House	Total Points
Sapphire	5
Emerald	3
Ruby	6

Speech Competition

At the beginning of the last full week, we had our TJS Speech Competition Grand Final. After all the children in the school had performed their speeches, the final four children were chosen with a winner from each year group. The standard was extremely high with four high quality speeches on a range of subjects, followed by four very different surprise one minute speeches on the subject 'letters.' The decision to select a winner was very difficult, but our guest judge Alison Philpott, Service Manager for Education standards for the Local Authority, was very impressed and after totalling her scores choose Ruby as this year's winner of the annual trophy.

Music Showcase

On a warm Wednesday evening, our talented musicians and the cast of Matilda performed in our Music Showcase. There was an impressive mix of solos, choir performances and instrument playing and the children put on a fantastic show. This was all made possible with the wonderful support of Mrs Bemister who has been volunteering all year in our music lessons and running a range of music clubs at lunchtime. This is the start of an annual event and we were very proud of all the children.

Ice Cream Treat

Year 6 finished the term with a treat from an ice cream. This is what they decided to invest their profits into following their successful week of sales during our 'Grow £5' challenge earlier in the term. The ice creams went down a treat and the children saw the value of working hard to come up with money making ideas.

Parent Governor Vacancy

Parent Governor Vacancy

We have a vacancy for a parent governor at TJS. If you're interested, please do let us know at the start of term in September.

What do the governors do?

We're often described as the "critical friends" of the school - think of us as the friends you go to when you need an honest opinion, rather than someone who will just tell you what they think you want to hear. We provide support and challenge at the strategic level - monitoring progress, checking policies are fit for purpose and asking the tough questions if things are not quite going as they should.

The benefits

You'll learn new skills, which is great for your CV, and you'll help shape the future of local children. You can feel proud knowing you're supporting your community in a meaningful way. It's a very rewarding role, which is why some of us have continued volunteering as governors long after our children have moved on from TJS!

The detail

You don't need any governance experience, but you need a willingness to learn and an interest in education. We meet on Mondays, a couple of times per half-term and you'll be required to have a DBS check.

Questions?

Feel free to contact existing governors via our clerk, Karen, on:
clerk@townhilljuniorschool.co.uk

10 Top Tips for Parents and Educators

STAYING SAFE AROUND WATER

Enjoying time in, on, and around water plays a vital role in a young person's overall development, offering a healthy and exhilarating way to have fun. This guide outlines essential safety advice, based on the Royal Life Saving Society UK's Water Safety Code, to help ensure children can enjoy swimming and similar activities safely and responsibly.

1 STICK TO LIFEGUARDED AREAS

It's never advisable to enter unpatrolled bodies of water, especially alone. Instead, it's considered best practice to accompany children to places with lifeguards, as they will be trained to respond quickly in emergencies and provide first aid when needed.

2 LEARN SIGNS AND FLAGS

When going to a new environment, it's important to research the local area and make children aware of safety signage before entering the water. If visiting the seaside, make sure children are always supervised by an adult and that they know what different beach flags mean, so they're knowledgeable of where and when they can enter the sea.

3 STOP AND THINK

Young people should be cautious before entering water, as it's difficult to gauge what hazards could be underneath. Use the Water Safety Code and encourage children to ask themselves questions such as, "Is the water too deep or too shallow? Are there swimmers, fish, or underwater objects?" Make sure children know never to enter water that is shallow, as what looks below could cause serious injuries.

4 CONSIDER WATER TEMPERATURE

Even on hot days, water can be deceptively cold. Hypothermia strikes when young people experience cold water shock. Never let children enter water quickly; instead, ensure that they enter slowly and carefully to allow their bodies to adjust to the temperature of the water if needed.

5 INFLATABLE SAFETY

Although inflatables may seem like a fun idea when visiting locations like the beach, they can float further out from shore and into more dangerous waves. It's advisable only to use inflatables in spaces like appropriately managed swimming pools, where they're used in more controlled and supervised environments.

6 SUPERVISION IS KEY

For young children, and particularly those under the age of five, it's important for them to be supervised at pools, outside and at the pool at all times. It's essential for parents and educators to understand that young children can drown quickly and silently; therefore, anyone supervising them must maintain constant watch to raise them if they get into difficulty.

7 DON'T GO TOO FAR

When swimming, especially in open water, it's best to teach children to stay within a safe depth. Share advice with them such as only swimming water up to a standing depth, and in the case of entering the beach, swim parallel to the shore. This will allow a child to stay in control and get out of the water easily.

8 KEEP POOLS AND TUBS DRAINED

For parents of young children, a simple way to protect them at home is to keep outdoor spaces and bathrooms dry after playtime. This includes removing water from puddles, pails after use and turning them over, removing lids to hot tubs and taking toys out of bathtubs, so all water can be fully drained from the tub.

9 FLOAT AND CALL 999

If a child gets into difficulty in the water, they should try to float on their back, stay calm, and call for help. If a young person sees someone else in trouble, they should dial 999 or 112 immediately, then should to reassure that friend, encouraging them to float on their back, and letting them know that help is on the way. Children should never enter the water to attempt a rescue or rescue belongings.

10 TEACH WATER SAFETY

Beyond swimming lessons, children should be educated in school on water safety. The RLS UK's accredited programme, 'Water Smart Schools', which offers free lesson plans and resources on how to be safe in, over and around water by following the Water Safety Code.

Meet Our Expert

The Royal Life Saving Society UK (RLS UK) is a national water safety charity that gives children the chance to enjoy activities of fun in the water, safely. Water safety education provided in schools is vital and, in some instances, could be a child's only opportunity to learn about the water.

What Parents & Educators Need to Know about ONLINE SLANG

WHAT ARE THE RISKS?

Slang moves fast – and for many young people, it's not just how they talk, but how they share their identity and feelings. Learning key terms helps adults connect and show understanding, even if the lingo seems baffling at first.

GENERATIONAL MISCOMMUNICATION

Words like "lol" or "slaps" can be misunderstood by adults, leading to awkward moments or a breakdown in trust. These phrases often carry subtle social meanings among young people.

RAPIDLY SHIFTING MEANINGS

Slang changes quickly. A term like "sus" might sound innocent one week and be repositioned the next. This makes it easy for adults to fall behind and for children to mishear.

SHIELDING BULLYING OR EXCLUSION

Inside jokes and trending terms like "slaps" or "NPC" can be used to mock or exclude others. What looks like harmless fun might actually reinforce social divisions or bullying.

PERFORMING FOR THE ALGORITHM

Slang often reflects what's popular on platforms like TikTok. Young users might exaggerate or not act for likes, creating online personas that don't match their real selves.

CONTENT MODERATION WITH CODED SPEECH

To avoid content filters, young people sometimes use slang or emojis to talk about serious topics – for example, saying "swallow" instead of other death-related terms. This makes harmful content harder to spot.

LONG-TERM DIGITAL FOOTPRINT

A slang-filled post might seem funny now but could resurface years later during job checks or university applications – possibly out of context, but still damaging.

Advice for Parents & Educators

KEEP UP, DON'T CATCH UP

Follow youth culture pages or ask your child about new slang. Staying informed shows that you're engaged and open to understanding their world.

FOCUS ON CONNECTION OVER CONTROL

Being someone your child can talk to is more valuable than using strict filters or monitoring apps. Openness builds trust.

ASK, DON'T INTERROGATE

Use open questions to build conversation. You're not quizzing them – just trying to learn more about their media lives.

ENCOURAGE CRITICAL MEDIA LITERACY

Talk about where slang comes from, how it spreads, and how it can impact others. This helps young people use language more thoughtfully.

ONLINE SLANG CHEAT SHEET -

The following slang terms are common examples – please be aware this isn't an exhaustive list and both meaning and prevalence can change easily.

COMMON SLANG:

- Alpha** • Independent, self-reliant (often male) mindset; proud outsider status. Often celebrated in motivational content.
- stoked** • Excited word from the street "stabilizer" movie; expresses intense joy.
- clout** • The collective audience or group of viewers (e.g. an influencer). Used when addressing followers directly.
- Lock in** • To focus, commit or get serious (e.g. before gaming or sports). Positive when preparsed to excitement.
- backlog** • Being something exceptionally well or gaining momentum, opposite of "backed".
- flex** • Charisma or biting ability (about for charisma). Can praise social confidence.
- Rare or rarefied** • Don't perceive "young" or like "forming" means manufacturing clout.

POTENTIALLY CONCERNING SLANG:

- dog** • An adult content creator (e.g. OnlyFans). Indicates exposure to sex material.
- spit or spit** • Insulted or negative about someone's behavior, objective appearance.
- Trending topics / trending sounds / long long long viral** • Spinning references to AI-generated creatures with "kitten-crendling" names. Can dog abuse, derail discussions, and harass others.
- flaming** • Insulting or abusively demanding a streamer or celebrity.
- crash out** • To lose control, give up or have a breakdown; sometimes hints at self-harm.
- swallow** • Eaten, consumed or in serious trouble; sometimes mental health-related.
- swallow** • Euphemism for death or suicide; used to avoid content filters.
- NPC** • Used to suggest someone is lacking independent thoughts or is repetitive and predictable.

Summer Reading Challenge

The School Library Service have launched The 2025 Summer Reading Challenge – Story Garden!

This year's theme will inspire children to tap into a world of imagination through reading, exploring the magical connection between storytelling and nature.

With free rewards to collect and plenty of brilliant books to enjoy, the Challenge is the perfect summer activity to keep young minds and bodies active over the holidays.

Everything you need to know!

Story Garden will launch in all our libraries on **Saturday 5 July 2025** and run until **Saturday 30 August 2025**.

It is open to **all** children, completely free of charge. Simply visit your [local library](#) to get started. This year you can challenge yourself and set your own goals for reading, or you can stick with the standard six books – it is entirely up to you!

What books do we need to read?

Children can read **any** book of their choice; fiction, non-fiction, picture books, or books they share with parents and carers, they can also listen to audiobooks, they all count! Very young children can pick up a special prize when they have completed their challenge too.

Who are we

The Big Difference is a good redistribution charity serving the community of Southampton.

Our mission is to reduce food waste and alleviate hunger by redistributing surplus food to those in need, while being environmentally sustainable. Through our efforts, we aim to create a greener planet, where everyone has access to nutritious food and resources are used efficiently.

The Big Difference began in March 2020 . It has been running 'The Big Breakfast' for the past 15 years. It is a weekly free breakfast for anyone in need. Big Breakfast was set up by Sanjay Mall and 3 others and it continues to run every Thursday, 50 weeks of the year - providing a safe and warm environment for people to come and have a hot breakfast.

During the Covid-19 pandemic there was a real need for people to receive food support. This was when 'The Big Difference' was born. We provided packed lunches to the homeless who were housed in B&Bs and hostels and delivered food to those homeless on the streets. By June 2020 we had given out over 440 food parcels, almost 2,000 packed lunches and over 3,000 frozen meals!

The charity has grown hugely in the last 4 years. We are grateful to be supported by so many wonderful food providers who donate their surplus food enabling us to continue to support the community around us. We now work with over 100 community groups, charities and schools in Southampton to help struggling families and the vulnerable who are facing food insecurity. Since 2020, The Big Difference has given out over £4 million worth of food! Each month, up to 35 tonnes of food is saved from going into landfill.

If you require help

If you require help with food, please send an email to
referrals@thebigdifference.org.uk

with information as to why you need help and how many people you require food for and one of our team will be in touch with you. We will do our best to help.

Please note, we no longer provide assistance with delivery so any food parcels will need to be collected in person from our location in

Time 4U

Weekly youth groups for children and young people aged 8-18 with special educational needs

Time 4U sessions provide the opportunity for you to meet with likeminded young people, make friends, have fun and talk about things that are important to you.

Sessions are full of fun activities to take part in, such as cooking, playing games, watching films, arts and crafts, and trips out too.

The support groups are also a safe place to talk about any issues you may be facing, whether that's to do with online safety, self-esteem and confidence, relationships or your emotional health and wellbeing.

Join Time 4U

Time 4U sessions run weekly from our Advice Centre. They are split into age groups of 8-12 years and 13-18 years. Parents/carers will need to have registered and have a MaxCard+ (register through the Buzz Network).

SOUTHAMPTON SUMMER FOOTBALL CAMP

AT: HAMBLE SPORTS COMPLEX
SATCHELL LANE, HAMBLE-LE-RICE, SOUTHAMPTON, SO31 4NE

HELD ON WEDNESDAY 23RD TO FRIDAY 25TH JULY 2025, 10AM – 3PM
FOR BOYS AND GIRLS AGED 4 – 14

WE HAVE BEEN RUNNING OUR FOOTBALL CAMPS AND COURSES IN YOUR COMMUNITY FOR OVER 25 YEARS!

Exciting news! We are running our annual Summer Camp on Wednesday 23rd to Friday 25th July 2025.

- The Camp is for 3 days from 10am-3pm, free drop off from 9:30am! Lunch is 12.15pm-1pm, children must bring their own packed lunch and plenty of drinks.
- The camp is held on 3G astroturf football pitches, therefore children may wear trainers or plastic moulded sole football boots. We also have the use of the sports hall in case of bad weather.
- On Friday at 2.15pm we hold a presentation, whereby **EACH CHILD WILL RECEIVE AN ENGRAVED TROPHY** as well as many opportunities to win extra trophies, including the **World Cup Tournament, penalty shoot out competition, skill point winners and player of the camp.**
- The camp is run by FA qualified coaches, who are DBS checked and are currently working with children in schools daily, enabling them to learn essential football techniques, building **CONFIDENCE**, improving **FITNESS** and providing the most important ingredient of all 'FUN'!
- The cost of the 3 day camp is £70 per child (There is a discounted rate of £50 for additional brothers and sisters). £30 daily rate.

There will be consent forms to complete on arrival and payment should be made on the first morning of the camp.
