

Townhill Junior School

Weekly Update: 13th December

Dear Parents and Carers

As we approach the final school week of the year, the children have been busy engaging with their learning along with workshops and visitors supporting this, along with the start of some of our outcome events.

Y5 Art and Poetry Workshop

On Thursday, Year 5 had a space themed workshop day where they created wonderful pieces of art work and wrote fantastic poetry based on their science work on space, with an additional focus on how black holes are formed. This was delivered by the same team who brought the astrodome to school and has proved very engaging for our Year 5 children.

Y6 Outcome Day

On Friday, Year 6 had their topic outcome day with outfits and activities helping to engage them. In the morning they were split into two groups and were fascinated by two Holocaust workshops. In the afternoon, they got to show off the work they had been doing in dance and music as parents got to enjoy their Jitterbug dances and a rendition of the White Cliffs of Dover. This was followed by time in classrooms looking at their books and art work.
