

Townhill Junior School

Weekly Update: 6th September

Dear Parents and Carers

Thank you for your support with a fantastic start to the term. Despite the rain, it has been a very successful first week with plenty to celebrate across the school. The children have worked extremely hard and made a very positive impression in both their behaviour and the quality of their work. This is the first edition of our weekly newsletter where we will share key events that have happened and also give a summary of what the children are learning.

Morning Routine

Thank you for getting the children to school so successfully in the mornings – never easy after the summer break! Now that the children know the route to their new classrooms, the school will go back to parents and carers leaving the children at the school gates and letting them walk the rest of the way via the playground. There are always staff on the main gate and playground areas to get the children where they need to go and it helps us to ensure we know who is on site making it safer for the children.

School Streets

Each day, Cutbush Lane is part of the School Streets safe walking to school campaign. Mr Reading will be on the barriers each day to stop cars coming in to make the walk to school safe for our children. This is in place from 8:25am – 8:55am and 2:50pm – 3:25pm each day, with the road signage meaning the rules stay in place whether the barriers are there or not, so please find other places to park. There are plenty spaces in the roads opposite. We thank you for your support with keeping the roads safe.

Meet the Teacher

Following on from the Y5 event yesterday, there will be an opportunity to Meet the Teacher again next week. This is a chance to see your child's class and meet their teacher, as well as ensuring you know your child's log in detail and how to access our online platforms. They run from 2:45pm and the gates will be open early so you can walk round to their classroom. The classrooms will stay open for a short time after school too from 3:15pm. The dates are as follow:

- Monday 9th September: Year 6
- Wednesday 10th September: Year 3
- Friday 13th September: Year 4
